# Board advisory

Independent perspective grounded in operating reality.

We help boards and governing bodies strengthen oversight, test strategic assumptions and understand whether people, process and systems can deliver the intended outcomes.

For boards seeking clearer performance information, stronger investment oversight or an experienced perspective on transformation, operational risk and organisational capability.

## How we help

- Connect strategic priorities with operating capacity and risk.
- Review reporting, assurance and decision processes.
- Clarify governance roles and executive accountabilities.
- Test readiness for investment, change and implementation.

## What you receive

- Clearer questions, options and risks for board consideration.
- Practical recommendations for reporting and oversight.
- Prioritised actions with clear governance responsibilities.

## How we work

- Agree the board's questions and scope.
- Review evidence and engage relevant leaders.
- Present an independent assessment and recommendations.

## Experience behind the advice

### Governance experience

Board, trustee and public-sector governance experience across veteran-support organisations and government advisory bodies; former Chair and Director of a global technology company's Australian subsidiary.

### Portfolio and operational judgement

Established a Victorian road infrastructure agency's governance, PMO and project-controls function and led mission-critical infrastructure operations for a global cloud infrastructure provider.

PMPK is led by Pelagia Markogiannakis, Founder and Principal, with more than 35 years of executive experience. Our work connects people, process and systems across complex organisations.

## Engagement

A defined board advisory review, workshop or ongoing counsel. Advice complements the board's responsibilities and the executive team's authority.
