Portfolio governance

Investment choices supported by delivery confidence.

We help leaders direct investment to the work that matters, with governance connecting strategic priorities, delivery capability, processes and decision information.

For organisations facing competing investments, uncertain forecasts, fragmented assurance or governance that does not support timely decisions.

How we help

- Strengthen prioritisation, investment oversight and stage gates.
- Clarify sponsorship, capability and delivery accountabilities.
- Connect financial, risk, benefits and delivery information.
- Establish proportionate PMO processes and reporting systems.

What you receive

- Proportionate governance and decision arrangements.
- Clearer portfolio priorities, reporting and accountabilities.
- An implementation roadmap for agreed improvements.

How we work

- Understand investment and delivery objectives.
- Assess people, process and systems across the portfolio.
- Recommend improvements and support implementation.

Experience behind the advice

Victorian road infrastructure agency

Established a 35-person multidisciplinary governance, PMO and project-controls function for a $10.5 billion road infrastructure portfolio.

Delivery and reporting

Reforecast and re-baselined 13 inherited road projects, supporting subsequent delivery on time and budget. Led enterprise reporting redesign at a Victorian transport department.

PMPK is led by Pelagia Markogiannakis, Founder and Principal, with more than 35 years of executive experience. Our work connects people, process and systems across complex organisations.

Engagement

Portfolio governance design, PMO improvement or implementation support. The portfolio and delivery health check offers a focused starting engagement.
