Portfolio and delivery health check

Clarity for decisions. Confidence in delivery.

We help executives understand where delivery is at risk, which priorities need attention and what must change to restore confidence in their project portfolio.

For leaders facing slipping projects, competing priorities, inconsistent reporting or uncertainty about further capital commitments.

$10.5bn
Infrastructure portfolio

35 people
Function established

13 projects
Reforecast and re-baselined

How we help

- Review priorities, governance and decision rights.
- Assess delivery risks, reporting and resource constraints.
- Test performance information with key stakeholders.
- Recommend practical improvements to delivery discipline.

What you receive

- Executive briefing on the material findings.
- Prioritised delivery risks and governance gaps.
- 90-day action plan with recommended owners and decisions.

How we work

- Agree the portfolio scope and evidence required.
- Review information and engage key stakeholders.
- Present findings and practical next steps.

Experience behind the advice

Victorian road infrastructure agency

Established a multidisciplinary governance, PMO and project-controls function for a $10.5 billion portfolio. Reforecast and re-baselined 13 inherited projects, supporting their subsequent delivery on time and budget.

Victorian transport department

Led redesign of executive financial and portfolio reporting; reduced 23 processes to 15 and released at least 30% capacity.

Led by Pelagia Markogiannakis, Founder and Principal, PMPK brings more than 35 years of executive experience across infrastructure, utilities, transport, aviation, data centres and defence.

Engagement

A defined independent review, with implementation support or fractional portfolio leadership available by agreement.

Let’s discuss what your organisation needs

Pelagia Markogiannakis | Founder and Principal
